

Nursery Newsletter November 2018

The children are settling back well into our routine after the half term holiday and are making very good progress.

Our topic this half term is Festivals. A curriculum information sheet accompanies this newsletter.

To support our topic we would be grateful to receive candles/light artefacts for display.

Thank you for supporting the Harvest Festival so generously. We have received many letters of thanks from the recipients in the community.

Values School

Our Values Education continues to develop well. The children became very aware of the value of "Friendship". This half term our value is "Courage".

Autumn Book Fair

Thank you also for supporting the School Book Fair. We sold £1,238.80 (amazing) worth of books and have received 60% of the worth of the books in commission. This is a wonderful way to add to our school book collection.

A big thank you to all those who attended the Curriculum Talk. Your child was delighted to see you in their Nursery.

Eco-Schools "Christmas"

The Eco-Committee has suggested that your child just sends one card to the class and these will be displayed in your child's class.
