18th March 2020

Dear Parents,

Please find attached information for pupils to access 'Learning from Home' resources as a result of the School closure from next week.

All information, including the links to the websites listed can be found on our School website, <https://www.dinaspowysps.co.uk>

Please look under the **Foundation Phase, Year Groups tab** for **Reception, Year 1 and Year 2 resources.**

Purple Mash, a website and collection of online tools will be used as a teaching and learning tool – all pupils have individual log-ins.

Additional educational games and resources, including Oxford Reading Tree books are available via the links on the School website. Pupil passwords and login details, where required, are attached.

Early Years activities for Nursery pupils can also be found in the **Foundation Phase, Year Groups tab, Nursery section.**

We wish you all the best and thank you for your support in this unprecedented situation.

Yours sincerely,

Julie Thompson
Headteacher
