18th March 2020

Dear Parents,

Please find attached information for pupils to access 'Learning from Home' resources as a result of the School closure from next week.

All information, including the links to the websites listed can be found on our School website, <https://www.dinaspowysps.co.uk>

Please look under the **Key Stage 2 tab** for **Year 3, Year 4, Year 5 and Year 6 resources.**

The Hwb platform, a website and collection of online tools provided by the Welsh Government will be used as the main teaching and learning tool – all pupils have individual log-ins.

'Google Classroom' has been setup for class teachers to provide instructions and activities for pupils to complete and save online. Class teachers will remotely access and mark this work.

Additional educational games and resources, including Oxford Reading Tree books are available via the links on the School website. Pupil passwords and login details, where required, are attached.

We wish you all the best and thank you for your support in this unprecedented situation.

Yours sincerely,

Julie Thompson
Headteacher
