

Dinas Powys Primary School – How to log on to Google Classroom.

1. Go online to <https://hwb.gov.wales>

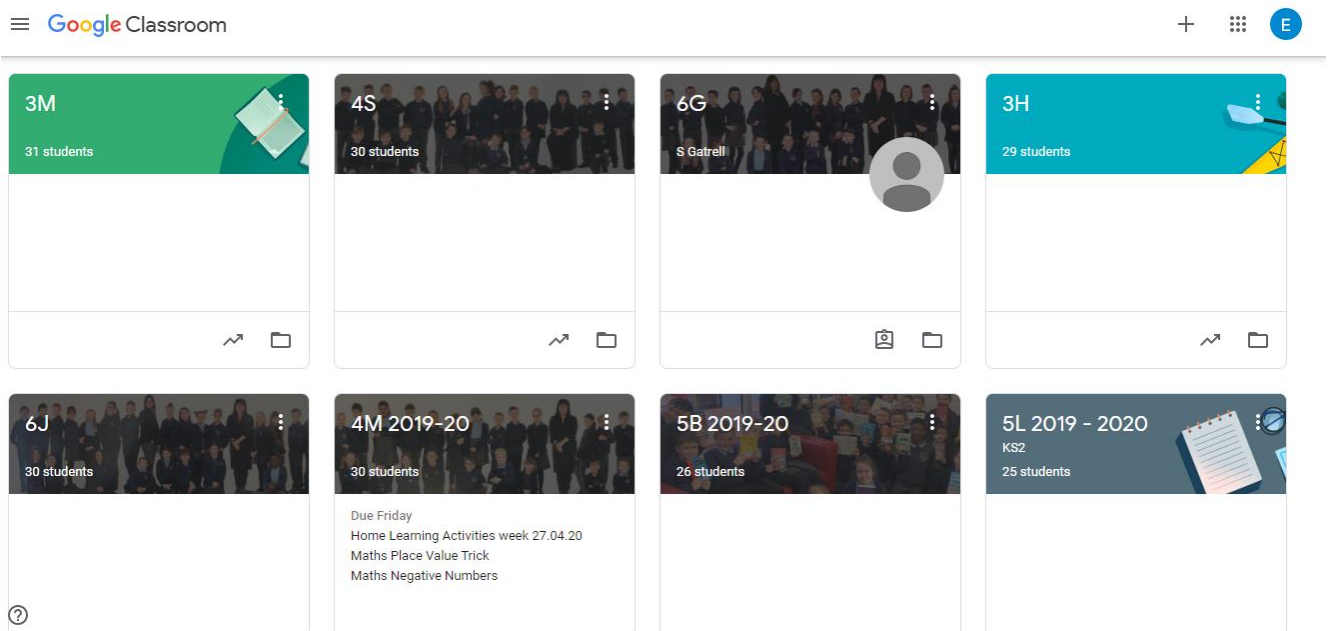

Click log in and enter your child's individual username and password.

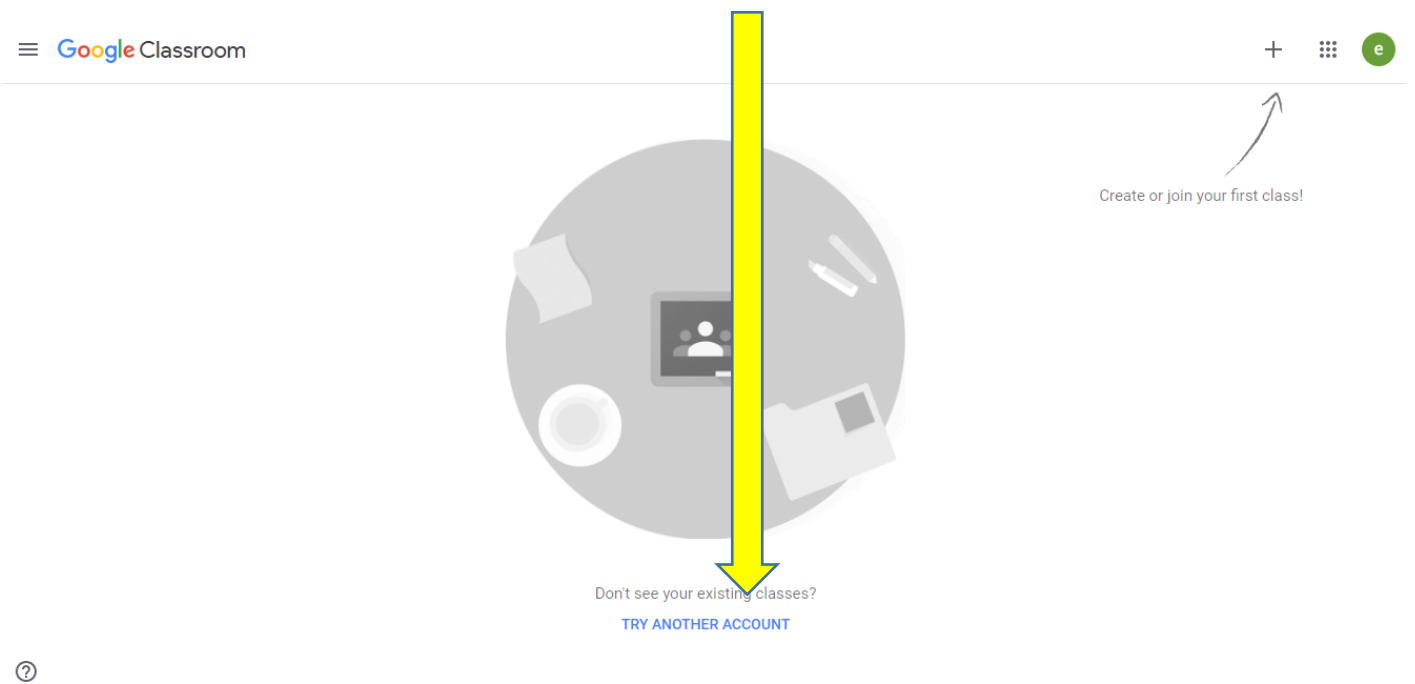

2. Scroll down the screen and click Google for Education.

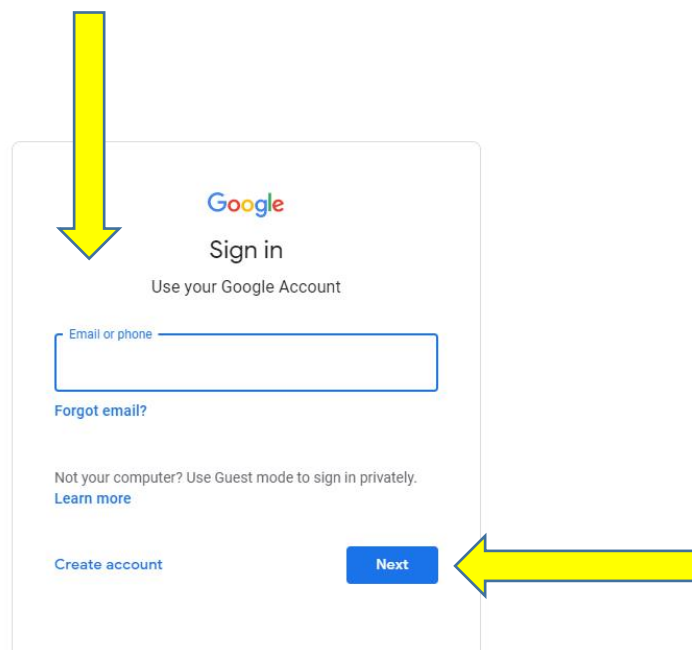

3. You should now see your child's class – please note only your child's class will appear. Click on your child's class and you have successfully logged in!

4. If your child's class is not visible, you will probably see this screen asking you to create or join a class and asking for a class code. You DO NOT need a code – all pupils have already been added to Google classroom. This screen appears if there is another Google account already in use on your tablet or PC. Please click 'try another account'

5. Enter your child's hwb username (ending in @hwbcymru.net) then click next

**6. And now your child's class should appear!
