June 19th 2020

Our Return to School

"Check in, Catch up and Prepare for Summer and September"

Dear Parents

Thank you for your response to the Vale of Glamorgan Survey.

I can now inform you of our back to School plan.

Main points : Only a third of learners can be present at any one time

Hub numbers affect our capacity – so this is being stringently

monitored

Learners have the opportunity to attend on 3 occasions—one day a

Week from 29th June 2020 - for the next 3 weeks

: Up to 8 children (maximum) from each class will attend on a named

day in their

bubble

Bubble Monday Bubble Tuesday Bubble Wednesday Bubble Thursday

and will be with their class teacher and in their teaching

areas/classes.

The teaching areas/classes have been organised to adhere to social

distancing advice

This option ensures your child will be in a bubble with their class

teacher and up to 7 named classmates (no requests for specific days

accepted re: logistics)

Time : 9.00 a.m. – 1 p.m. – condensed day

Snack : Fruit provided by Vale of Glamorgan

School Uniform : Optional

Staggered Arrival : from 8.45 a.m. - you will be notified the time when you receive

your allocated "Bubble Day"

Staggered pick up : from 1.00 – 1.15 p.m. – again you will be notified this time when

you receive your Bubble Day notification

Friday School closed for Deep Clean

Social Distancing to be adhered to on arrival and pick up.

We are currently organising the Bubbles to ensure siblings and friends (as far as is possible) are in the same day bubble.

More information and your child's day for the 3 weeks from week beginning June 29th will be issued early next week. We are unable to accommodate any requests due to the logistics of capacity, siblings and social distancing.

Hub information has been forwarded separately to those concerned but please note your child cannot be in the Hub on the same day as they are in a Bubble Class

The emphasis during your child's time in School will be promoting their well-being, discussing work, sharing experiences and preparing for their future learning.

All staff will have received specialist training (Vale funded) to support your children on their return to School.

We look forward to welcoming your child back to our School and will make the new normal a seamless transition.

Stay safe.

Thank you for your patience and support and as promised I will be in touch early next week.

Yours sincerely

Julie Thompson (Mrs) Headteacher
