

# Google Classroom App.

If your child is completing work on paper, you may find it easier to upload and submit work to Google Classroom using the Google Classroom App.

- Download the free Google Classroom app on a tablet or mobile phone
- Click 'Get Started'
- Click add another account
- Enter your **child's Hwb email address**  
**When prompted to 'Sign In' - re –enter your child's Hwb email address again**
- **Enter your child's Hwb password to sign in**

## To upload work completed on paper:

- Take a photo of the piece of work on a tablet or mobile phone
- Click the Google Classroom icon
- Select the Class
- Click the '**Classwork**' tab – usually at the bottom of the screen
- Click the icon/instructions relating to the piece of work you want to submit
- At the bottom of the screen, click '**Your Work**' and '**+ Add attachment**'
- Click '**Pick photo**'
- Select the photo of the work completed
- Click '**Hand in**'

Your child's teacher will now be able to see the work submitted and can add feedback comments.
