Parents of Pupils  
Dinas Powys Primary School-Junior Site

Dear Parent,

**Dinas Powys Primary School - Junior Site**  
**Primary School-Junior Site and Library Access Bridge,**  
**Fairoaks, Dinas Powys**

I am pleased to inform you that Vale of Glamorgan Council is undertaking construction works to replace the Primary School-Junior Site and Library Access Bridge. The work includes demolishing the deck of the existing road and pedestrian access bridge and replacing it with a precast concrete box culvert structure. During the construction period temporary pedestrian access to the school and library will be provided via marked access paths across the adjacent Chapel car park and a temporary, surfaced footpath through a temporary gate set into the existing school boundary fence.

The works are due to commence on the 30<sup>th</sup> March 2021 and are expected to be completed in 8-10 weeks subject to weather conditions. The works will involve the use of Fairoaks by delivery lorries and machinery and your co-operation in observing all signage, considerate parking along this access road and also care whilst using the adjacent footways, would be much appreciated during this time.

We apologise for any inconvenience the works might cause. If you have any questions, you can lodge a service request by either calling the contact number or by sending an email using the details above.

Yours faithfully,

Veronica Tsak
