## Parking

As part of our ongoing efforts to ensure the safety of all children, staff, and families, we'd like to kindly remind everyone of a few important guidelines regarding parking and access around the school sites.

**Infant Site Car Park** - Please do not park in the infant site car park or walk through it at any time. This area is reserved for staff and essential access only, and walking through it poses a safety risk, especially during busy times.

**Local Area Parking** - We also ask that you avoid parking on double yellow lines in the surrounding streets. These restrictions are in place to keep the area safe and accessible for everyone, including pedestrians and emergency vehicles. Thank you for your continued support and understanding.
